CMAS Program Overview

California Multiple Award Schedules (CMAS) offers a wide variety of commodity, non-IT Services, and information technology products and services at prices which have been assessed to be fair, reasonable and competitive. The use of these contracts is optional and is available ONLY to California State and Local Government agencies.

This program assures the City has received competitive pricing just as if we went out to bid ourselves. Contract #4-02-37-0003B has been assigned to this proposed purchase.
