

CITY OF PACIFIC GROVE
300 Forest Avenue, Pacific Grove, California 93950

AGENDA REPORT

TO: HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL
FROM: DANIEL GHO, GOLF COURSE SUPERINTENDENT
MEETING DATE: DECEMBER 17, 2008
SUBJECT: **CONSIDER APPROVAL OF A PURCHASE OF NEW MOWING EQUIPMENT FOR THE PACIFIC GROVE MUNICIPAL GOLF COURSE**

RECOMMENDATION:

Approve a purchase of new mowing equipment for the Pacific Grove Municipal Golf Course.

DISCUSSION:

Four quotes were obtained. The recommended purchase is under CMAS pricing.

CMAS Program Overview

California Multiple Award Schedules (CMAS) offer a wide variety of commodity, non-IT Services, and information technology products and services at prices which have been assessed to be fair, reasonable and competitive. The use of these contracts is optional and is available ONLY to California State and Local Government agencies.

This program assures the City has received competitive pricing as if we went out to bid ourselves. Contract #4-02-37-0003B has been assigned to this proposed purchase.

The quotes ranged from \$57,678.47 to \$45,768.94. Manufacturers are Turf Star, Inc. (2), RMT Equipment, and Reed Equipment.

I performed demonstration mows with two of the pieces of equipment and am familiar with the third manufacturer. The Reed Equipment mower is the lowest priced and is very adequate for the golf course. It is \$45,768.94 with a five year lease at \$815.52 per month with a \$1.00 buy-out. Actual purchase price is \$45,768.94. Lease interest cost is \$3,162.26 over the five years. This is an excellent financing term.

FISCAL IMPACT:

For the remainder of the fiscal year funds will be transferred from 622-6061- Golf Course improvements to 622-6001- Equipment in the amount of \$5,000.00. This is a budgeted expense.

CITY MANAGER

Memorandum

City of Pacific Grove

To: Honorable Mayor and Members of the City Council
From: Daniel Gho, Golf Course Superintendent City of Pacific Grove
Subject: Fairway Mower Quotes
Date: December 10, 2008

Below is a list of the price quotes for the new fairway units that the golf course is in dire need of. The course currently has two fairway units that were both purchased in 1993, and 1995. Both of the units are currently inoperable since they both require about 6000 dollars of mechanical work to make them operable. As of now the golf course does not have a reliable piece of equipment to perform the task of mowing fairways twice a week. I have received 4 quotes for a new fairway mower from the major companies within the industry using CMAS pricing.

The following quotes are for 5 Gang 4 Wheel Drive Units

The first quote is from Turf Star Inc. that is for the Toro RM6500D unit.

Price with tax: \$51,536.92

Lease price: 48 month conditional sales contract w/\$1.00 purchase option is **\$1278.12** per month.

The second quote is from Reed Equipment CO. for the John Deere 8700 unit.

Price with tax: \$45,768.94

Estimated Lease payment: 60 month w/\$1.00 buyout program is **\$815.52** per month.

The third quote is from RMT for the Jacobsen Model LF4677.

Price with out tax: \$54,678

A leasing price was not received from this company.

A fourth quote was received from Turf Star Inc. for a seven gang 4 Wheel Drive unit.

Price with tax: \$57,678.47

Lease price: 48 month conditional sales contract w/\$1.00 purchase option is **\$1390.05** per month.
