1. Agenda Item Presentations

Staff presented the project on the Architectural Review Board Regular Meeting agenda and answered questions from Board.

- 207 Eardley Avenue
- 164 12th Street

Staff reported that the story poles and netting were not put up by the deadline of Monday November 15, 2010 for both projects. The Board discussed whether the projects could still be considered without story poles and netting in place, and determined that they could not.

On a motion made by Edmonds, seconded by Becom, both agenda items were continued to the December 14, 2010 meetings, with a 6-0 vote in favor.
